

# Resident Mentorship Program 2008

being held at the CSHP's 61<sup>st</sup> Annual General Meeting  
Hilton Hotel – Saint John, New Brunswick

The contributions of mentors in the development of future leaders for the pharmacy profession are well recognized. Pharmacy residents, our profession's future leaders, derive significant benefit from the leadership, advice and support provided by their mentors. In recognition of the importance of mentorship, the CHPRB, CSHP and Apotex Inc. have partnered in the development of a unique "Residency Mentorship Program" to allow Canadian residents to explore career development while giving them unique networking opportunities. The goal is to match pharmacy residents with prominent Canadian pharmacists during the CSHP Annual General Meeting (AGM). Based on the success of the program over the past nine years, and on behalf of the partners of the program, we would like to invite you to participate in the resident mentorship program in Saint John, New Brunswick. Mentors and residents will be matched for half-day sessions during the conference. In addition, you will be requested to attend a "kick-off" reception where mentors and residents will be introduced to one another and plan their time together. The success of the program will depend on the participation and enthusiasm of both residents and mentors. We hope you can join us for this event and look forward to your response.

## Program Outline

### **PARTICIPANTS**

**Mentors:** Canadian pharmacists including CHPRB members, CSHP Councillors, CSHP Fellows, CSHP Past-Presidents, Residency Directors and Coordinators, Association Executives, and any other interested CSHP members.

**Residents:** Residents currently enrolled in a Canadian Hospital Pharmacy Residency (CHPRB) program.

### **Program Description:**

During the course of the conference, mentors and residents will spend a period of 3-4 hours on a one-to-one basis (e.g., morning and/or afternoon). The suggested time periods include either Sunday, and/or Monday morning/afternoon and/or Tuesday morning. The number of mentors with whom each resident will spend time with will depend on the number of participants in the program. It is likely each resident will be paired with 1-2 mentors.

### **Matching Residents with Mentors:**

Mentors and residents will be matched prior to the conference. Simple criteria will be used for matching the residents with mentors (e.g., match residents and mentors from different geographic areas of Canada).

### **Kick-off Reception:**

A "kick-off" reception for the program will be held on Saturday, August 9, 2008 from 6:00 p.m. to 7:00 p.m. (pharmacy students/residents should arrive at 5:30 p.m., so that they can network with other students/residents in advance of the 6:00 p.m. mentor arrival time). The "kick off" reception will be held in the Kennebecasis Room I/II at the Hilton Hotel in Saint John, New Brunswick. This event will include a brief presentation regarding the mentorship program and a question and answer session. The residents and mentors will be introduced to each other and plan their time together over the course of the conference.

### **How to participate:**
