

CONNECT TO THE FUTURE

Volunteer Opportunities – Why wait until you've graduated to become involved with CSHP? Start participating in CSHP's activities today. It's a great way to meet future colleagues and help shape hospital pharmacy practice.

- **CSHP 2015:** Be on the inside track! CSHP 2015 is a quality initiative that describes a preferred vision for pharmacy practice in the hospital setting by the year 2015. CSHP members have a unique opportunity to get involved. Tool kits are available exclusively to members to help them achieve the goals of CSHP 2015.
- **Advocate:** Become involved in CSHP's advocacy work. Recent advocacy campaigns have included Prescribing by Pharmacists and Patient Safety.

CONNECT TO OPPORTUNITIES

Employment Opportunities – Learn about job opportunities for pharmacy students, interns, and pharmacists on our Students' Corner web page.

CSHP Summer Internship Opportunity – CSHP offers an internship position in Ottawa to a student member with an interest in learning how CSHP works to support hospital pharmacy.

SPEP Rotation at CSHP – CSHP provides an opportunity for pharmacy students to meet part of their SPEP requirements at the national office.

All of these benefits and more are available for an annual fee of about \$55.

Unsure whether you want to work in a hospital?

You don't have to work in a hospital to be a member of CSHP. Members of the Society practise in a variety of settings. Regardless of your practice setting, you and your patients will benefit from your membership in CSHP.

What is CSHP?

CSHP is a national, voluntary organization committed to patient care through the advancement of safe, effective medication use in hospitals and other collaborative healthcare settings. CSHP has over 3000 members across Canada.

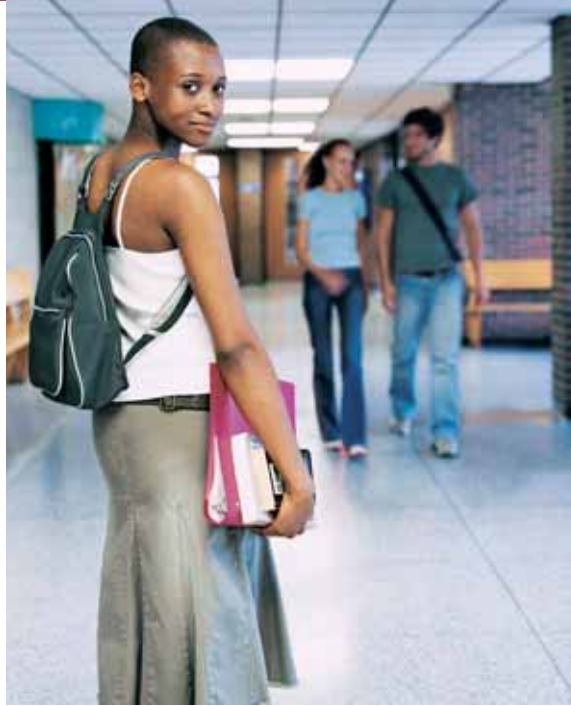

When you join CSHP, you benefit from programs and services at both the national and branch (provincial) levels. Check out what is happening in your branch at www.cshp.ca/cshpNetwork/branch_e.asp.

What does CSHP offer you?

Connections and opportunities – CSHP connects its members to each other, to the information that they need, and to the future. As a CSHP member, you will have access to an extensive and varied array of opportunities to connect with colleagues at the national and branch levels. All of these benefits will help you as you develop your pharmacy career.

“The direction in which education starts a man will determine his future in life.”

– Plato

Connect to people and information

Educational Events – CSHP offers continuing education programs through conferences and online programs. These events constitute one of the most highly valued benefits of CSHP membership and are offered both nationally and locally. They are a great way to learn from leaders in hospital pharmacy practice!

CSHP's Students' Corner – Visit the CSHP website (www.cshp.ca) to access tools and resources designed especially for students.

Canadian Journal of Hospital Pharmacy – Read the latest in research, practice excellence, therapeutics, and controversies with your subscription to the CJHP – the only journal in Canada dedicated to the practice of pharmacy in hospitals. For your convenience, the CJHP is available in both print and online formats.

Pharmacy Specialty Networks – Do you want to learn more about a particular area of pharmacy practice? CSHP hosts Pharmacy Specialty Networks (PSNs) to help members interact with and learn from each other. As a CSHP student member, you will automatically be included in the Pharmacists-In-Training PSN. Visit CSHP's website to view a complete list of the Society's PSNs.

Matching Service for Residency Training – Pharmacy practice residencies provide an excellent foundation for a career path in hospital pharmacy. CSHP matches residency applicants with residency programs that have been accredited by the Canadian Hospital Pharmacy Residency Board.

Awards – Showcase what you have to offer to the practice of pharmacy! CSHP student awards are available at both the national and branch levels.

Mentorship – Check with your local CSHP branch about mentorship opportunities with practising hospital pharmacists.

eBulletin – This semimonthly electronic newsletter is Canada's most comprehensive source of job opportunities in hospital pharmacy.
