

MEMBERSHIP TYPES

• Active

Pharmacists licensed or registered with a pharmacy regulatory body in Canada or persons with a professional degree in pharmacy. Only Active members hold the right to vote on Society issues.

• Joint

Two Active members residing at the same residential address. Only one person receives the regular membership mailings, although both are members. Each member pays the joint member fee (refer to fee schedule for details).

• Supporting

Persons who support the objectives of and pay fees to the Society but are not eligible for other membership categories.

• Active-In-Training (Postgraduate)

Persons who are enrolled in full or part-time postgraduate programs including residents, PharmD students, and persons doing fellowships. Proof of enrollment is required to secure this rate (e.g., copy of student card, letter of acceptance, or current transcript).

• Student (Undergraduate)

Persons enrolled in an undergraduate pharmacy program. Photocopy of student card is required to secure the student rate.

• Retired

Retired members pay half of the total fee for Active/Supporting. On the application form, please indicate your date of retirement.

FEE DISCOUNT ELIGIBILITY

Are You Eligible for a Membership Discount?

New Active/Supporting Member Discount Program

Discount program that spans two consecutive membership years. Qualifying members will receive a 50% discount on their dues during their first year of membership (new year 1 rate) and a 25% discount on their dues during the second consecutive year of membership (new year 2 rate).

Qualifying members:

- New members who are purchasing an Active or Supporting membership
- Members who have previously held a Student or Active-In-Training membership and are purchasing an Active membership for the first time
- New Active members who are purchasing a Joint membership

This discount does not apply to the Student, Active-In-Training, Retired, or Leave of Absence categories.

Leave of Absence (LOA)

Discount offered to members who are on sabbatical, sick leave, or maternity/parental leave. Qualifying members receive full benefits during the year.

- Leave must be at least six months in duration.
- If leave begins in the middle of a membership year, you may defer the LOA to the next membership year.
- Members may take advantage of this discount for only 3 membership years, consecutive or not, during their careers.

HELPING YOU EXCEL AND INNOVATE IN COLLABORATIVE PATIENT CARE

Reap the Benefits of Your Journey with CSHP

As a member of CSHP, you connect not only to a strong professional association, but also to a dynamic and growing network of your hospital pharmacy colleagues. When you join CSHP, you instill fresh energy into your national association for expanding and improving programs and services.

Advocacy

Be heard by elected officials, senior public servants, chief executives of hospitals and regional health systems, and healthcare and pharmacy stakeholder organizations across Canada. CSHP leads advocacy campaigns on your behalf to advance hospital pharmacy practice.

Awards Program

Be recognized as a practitioner who makes significant contributions to a specific field through scholarly papers and original research.

Canadian Hospital Pharmacy Residency Board

Promote excellence and innovation in Canadian pharmacy residency training. The Canadian Hospital Pharmacy Residency Board accredits Canadian residency programs and matches applicants to residency positions through its Residency Matching Service.

Continuing Education

Learn and teach about up-to-the-minute information on the latest therapeutic trends and practice developments at CSHP's three annual educational programs: the Professional Practice Conference (PPC), the Summer Educational sessions (SES), and the Banff Seminar.

MY.CSHP.ca

Manage your personal profile at MY.CSHP.ca, CSHP's new online member portal, located on the CSHP website. This portal offers a secure environment wherein you can update your contact information, renew your membership, donate to the CSHP Research and Education Foundation, register for a CSHP conference, volunteer your time, and network with your colleagues using our online Member Directory. Visit MY.CSHP.ca for these and more, and watch as we continue to enhance your online experience.

Fellows Program

Be honoured as a CSHP fellow. CSHP confers this status to members who, through their practice activities and contributions to the Society and the profession, are worthy of recognition that signifies outstanding leadership, dedication and commitment to practice excellence and professional growth.

CSHP 2015

A practice excellence initiative for pharmacists in hospitals and related healthcare settings

The CSHP 2015 is derived from the American Society of Health-System Pharmacists 2015 initiative, but adapted to the Canadian healthcare environment based on input from key stakeholders.

CSHP 2015 is a quality initiative with 6 goals focusing on 4 specific areas:

- making medication use effective (2 goals, one related to care of hospitalized patients and the other to the care of nonhospitalized patients)
- making medication use evidence-based
- making medication use safe (2 goals, one focusing on systems and one focusing on technology)
- making meaningful contributions to public health

Professional Liability/Malpractice Insurance Plan

Enjoy preferred premiums when you purchase liability/malpractice insurance through CSHP.

- Competitively-priced and compliant with pharmacy regulatory authorities
- Eligibility for new member discounts (see "New Active/Supporting Member Discount Program")

CSHP Research and Education Foundation

Obtain funding for research projects and targeted education programs that will improve the delivery of patient care.

To learn more about the Foundation, visit www.cshpfoundation.ca.

Pharmacy Specialty Networks

Connect with pharmacists who share similar areas of interest, practice, education, research and/or management, and exchange your outstanding daily contributions to pharmacy. CSHP offers groups for areas of practice, such as cardiology, infectious diseases, paediatrics, and primary care.
