

CSHP 2015 Pharmacy Student Video Competition

What could you say about CSHP 2015?

How would you relay that message to your peers, other pharmacists or better yet, hospital administrators, other health care professionals, patients and/or their families?

Because pharmacy students are famous for their creativity, CSHP is inviting YOU to showcase your talents! We are expecting great things from our country's pharmacy students!

Looking for ideas?

Check out the CSHP 2015 section of the CSHP website. How about highlighting one or more of the three "Hitting the Target" toolkits which are currently in development, showing how the CSHP 2015 goals and objectives can help patients and improve hospital pharmacy practice, motivating pharmacy students and pharmacists to get involved in CSHP 2015, or showing what hospital pharmacy practice in Canada might look like in 2015 if the initiative is a success. These are only a few possibilities.

The **New DEADLINE** for submissions is 4:00pm ET, November 6, 2010.

Please mail or courier your DVD submission, along with the names of your team members and your contact information to: CSHP 2015 Project Coordinator – Video Competition, CSHP, 30 Concourse Gate, #3, OTTAWA, Ontario K2E 7V7
