WELCOME!

Thank you for joining us at Together 2023 in Banff, Alberta, as we celebrate our 2022-2023 national award winners. Award presentations will be held throughout the conference to honour the dedication, service, and excellence of our members. Whether you are attending the presentations in-person or virtually, the messages of gratitude and celebration remain strong.

The CSHP awards program encourages members in their hospital pharmacy practice and acknowledges those who have advanced practice through innovation and dedication to the profession and Society. The awards program is open to all members of the healthcare team, including pharmacists, pharmacy technicians, student pharmacists, and others.

We express our appreciation to everyone who made this year's awards program possible. We extend our thanks to the members of the national awards committee and award appraisers for their time and commitment. We also acknowledge the generosity of our sponsors whose interest and investment allows us to recognize the important work of our members.

Enjoy these presentations! We proudly share the accomplishments and outstanding service of these most deserving and truly remarkable members.
