

MARCH IS PHARMACY AWARENESS MONTH

Your hospital pharmacy team: your trusted medication experts

Your pharmacy team, consisting of your hospital pharmacists and pharmacy technicians, is making a positive impact on your care:

- 1** → **YOU** are a pharmacist's priority.
- 2** → **YOU** have access to a medication expert in your pharmacist.
- 3** → **YOU** benefit from having a pharmacist on your healthcare team.
- 4** → **YOU** and your healthcare team can learn a lot from your pharmacist.
