

PHARMACY PRACTICE RESIDENCY AWARD sponsored by Pfizer

Criteria

This annual award will be awarded to a hospital pharmacy resident, whose major project is judged to be the most deserving in terms of representing a significant innovation, practical application and/or development in an institutional pharmacy practice setting.

All applicants must:

1. Be an active CSHP member (by the first of October during the residency program).
2. Be enrolled currently in a CHPRB accredited residency program in Alberta or have completed such a program in the previous year.
3. Submit two electronic copies of a manuscript in a format that follows the Canadian Journal of Hospital Pharmacy (CJHP) criteria. One copy of the manuscript must be blinded, in other words, must not bare any marks identifying the author(s), hospital or city in which the project was completed.

*Please note the award application requires an endorsement signature of the Residency Program Director, Director of Pharmacy or other Pharmacy Administrator.

Deadline: July 15, 2019

Award: \$1000

Selection of Recipient: Awards Committee
