

PRACTITIONER AWARD

Criteria

This annual award is presented to a pharmacist in recognition of significant contributions to hospital pharmacy practice. Two members of CSHP-AB Branch must nominate the applicant and a minimum of two letters of reference are required (letters are not required to be from CSHP members).

Candidate Must:

1. Be a current member of CSHP-AB Branch
2. Have made significant contributions to the practice of pharmacy. Examples may include:
 - Exceptional patient care through clinical or educational services
 - Professional service to the community and/or profession
 - Preceptorship, education, and mentoring of pharmacy students, residents, and/or pharmacist colleagues
 - Pharmacy management/leadership achievements
 - Research achievements
 - Membership or positions held in professional organizations
3. If the candidate has received this award in the past, the candidate must have demonstrated a significant change in practice such as new area of practice or innovations.

Please obtain current curriculum vitae from the nominee and attach it to the electronic nomination form.

Deadline: June 14, 2019

Award: \$1000

Selection of Recipient: Awards Committee
