## Focus and Scope

The *Canadian Journal of Hospital Pharmacy* (CJHP) is the official publication of the Canadian Society of Hospital Pharmacists. It is a bimonthly, peer-reviewed, scientific journal, which publishes original research, clinical reviews, case reports, and topical discussions on pharmacy practice that are of interest and value to health care practitioners in hospitals and related care settings.

*The CJHP is published 6 times annually:*

January-February, March-April, May-June, July-August, September-October, and November-December.

In 2015, the CJHP was moved to an online only version ([www.cjhp-online.ca](http://www.cjhp-online.ca)).

## CJHP's Mission

The CJHP is an academic journal that focuses on how pharmacists in hospitals and other collaborative health care settings optimize safe and effective drug use for patients in Canada and throughout the world.

## CJHP's Vision

The aim of the CJHP is to be a respected international publication serving as a major venue for dissemination of information related to patient-centred pharmacy practice in hospitals and other collaborative health care settings in Canada and throughout the world.
