

## CSHP 2015 Success Story Contest

Presented by the CSHP Nova Scotia and PEI Branches

### Who is eligible?

- The contest is open to all current CSHP Nova Scotia and PEI members in good standing (active, or active-in-training). CSHP-NS and CSHP-PEI executive members, other than those on the selection committee, are eligible.

### What is required?

- To enter the contest, you will be required to **share a success story regarding what you do in your current practice or an initiative at your hospital or healthcare institution that relates to a CSHP objective**. It can be based on any of the 36 CSHP 2015 objectives, and can include one or more objectives.
- The initiative can be a completed project, in progress or ready to implement within six months. You do not have to be the primary coordinator/leader of the initiative, but must be involved at some level. You could also describe something you do in everyday practice that falls under a CSHP 2015 objective.
- You must submit a **written account of your success story** (maximum 1000 words) that includes the following: the CSHP 2015 objective(s), location (e.g., hospital or facility), discipline (e.g., internal medicine), team members involved (e.g., pharmacists, physicians, nurses) including a description of your involvement, rationale for practice or initiative, baseline data (if applicable), methods as to how the initiative was implemented or will be initiated (if applicable), evaluation of the results (either actual results or how the results will be evaluated) and any supporting documentation (if applicable)
- The winners must be willing to have their success story shared in future CSHP 2015 activities and an abbreviated version printed in the CSHP-NS and/or CSHP-PEI branch newsletters.

### What are the prizes?

- There are **TWO \$200 CSHP gift certificates** that can be used towards any CSHP-related event or merchandise (e.g., membership fees, educational events or conferences, publication). Each entry is eligible for one gift certificate.
