

Evidence-Based Medicine: Pharmacists Battling Bad Media

A continuing education event integrating EBM principles in a case presentation format, designed to demystify six recent articles that your patients want to know about. Find out how to answer their questions about what they have heard on the news!

Presented by:

Crystal Anthony, BSc(Kin), BSc(Pharm) and Shanna Trenaman, BScH, BSc(Pharm)
Pharmacy Residents

Wednesday April 8, 2009

5:00 – 7:00p.m.

Royal Bank Theatre, Halifax Infirmary

Accredited for 2.0 CEUs
